Hi Rick, on behalf of the WSSA Board of Directors please see attached letter on the 2018 WSSA Annual meeting program with an updated schedule weblink and other details for those interested in attending. We are really excited about this comprehensive science program with approximately 400 presentations, symposia and workshops and appreciate OPP's work and contributions to several of the symposia and other science presentations. I hope you have a good weekend and please let us know if you or your staff have any questions or would like additional information. Thank you-Janis (cell Ex. 6 Personal Privacy (PP))
